

Sports Users Forum

Tuesday 2nd December 2008 @ 7:30pm

The Manor House, Gallows Hill Lane.

The Parish Council is holding a forum for regular users of our pitches and sports facilities.

The purpose of the forum is to gain the views of our users on the facilities and services the Parish Council provides and how these can be developed in the coming years. We are hoping there will be an open dialogue about what our users require and Councillors will provide feedback on the Parish Council's plans.

This is your opportunity to have your say. Invitations have been sent out to sports clubs, the forum is open to all groups who regularly book one of our pitches or sports facilities.

An agenda will be available at the forum and from the Parish Council's website.

If you have any specific topics that you would like added to the agenda, please contact the Parish Council offices by Thursday 20th November.

Agenda items can be emailed to forums@abbotslangley-pc.gov.uk, as can any other questions about the arrangements for the forum.

Telephone: 01923 265139 - Fax: 01923 262125
